

IMPROVE OUR PARKS

CARE FOR OUR PEOPLE

WHAT IS MEASURE Q?

City leaders, park advocates, clean water experts and homelessness policy advisors have come together to carefully craft Measure Q. Approved by a unanimous city council vote with support from the Mayor, Measure Q will allow us to invest in cleaner parks, clean water supply, and services that help unsheltered Oaklanders find housing and crucial resources.

MEASURE Q WILL:

- ▶ **Protect** local water quality by cleaning park creeks and stormwater systems.
- ▶ **Provide** programs to help homeless individuals move out of parks and into shelters and housing.
- ▶ **Remove** trash and debris from city parks.
- ▶ **Keep** restrooms at parks and recreation centers clean by attending to them more than once a day.
- ▶ **Maintain** playing fields by mowing more frequently.

TAXPAYER PROTECTIONS ARE REQUIRED

- ▶ Measure Q includes exemptions for low-income seniors and very low-income households.
- ▶ An oversight commission comprised of community members will ensure that funds are spent correctly.
- ▶ Measure Q is temporary. Voters will choose whether or not to renew it in the future.
- ▶ Funds will be subject to ongoing audits.

I WILL:

- ENDORSE** Measure Q. My signature authorizes public use of my name in campaign mailers, local newspapers, and the campaign website.
- PLACE A SIGN** in my yard or my window. Signs will be available in mid January.
- VOLUNTEER.** Contact me to discuss volunteer options!
- CONTRIBUTE** to the Campaign. Make checks payable to: **Oakland Neighbors for our Parks and People, 2020** (Contributions are not tax deductible.)
